

IN THE UNITED STATES DISTRICT COURT FOR THE MIDDLE DISTRICT OF TENNESSEE

NASHVILLE DIVISION

Timothy Charles Holmseth Plaintiff, vs. Levi Henry Page Alexandria Goddard Defendants,	Case No: 3:22-cv-00912 SPECIAL REQUEST FOR SERVICE BY U.S. MARSHALS
---	--

Plaintiff requests an order from the Court directing U.S. Marshals to serve the Summons and Complaint in this case.

The reasons Plaintiff is making this request is based upon (1) conflict of interest, and (2) safety of process servers.

ALEXANDRIA GODDARD IS HOMICIDAL AND CAPABLE OF FIRST DEGREE MURDER

1. Defendant Alexandria Goddard exhibits homicidal behavior and a thought process that indicates Goddard's capability to commit premeditated murder.
2. Goddard diabolically attempted to lure a woman (Randi Lynn Erickson) to her home and property under the guise of a journalistic interview. Goddard repeatedly tried to convince Erickson to come to her property for a journalistic "interview". SEE ATTACHED EXHIBITS
3. When Erickson made it clear she was not coming to Goddard's property, Goddard then made at least 17 references to shooting Erickson if she (Erickson) ever comes to her property. SEE ATTACHED EXHIBITS
4. Goddard stated during an interview on From The Desk of Murtwitnesonlive with news reporter William K. Murtaugh, Apopka, Florida, that at the time she was inviting Erickson to her home, she had a firearm on the table that was loaded with "cop killers". That video can be viewed online in a video entitled "I HAD A 9MM ON MY TABLE, LOADED, WITH COP KILLERS" OHIO RAPIST ACCIDENTLY CONFESSES TO MURDER PLOT
www.bitchute.com/video/TyvGRGUXnDPq/
5. Goddard has publicly boasted that she conspired with police in Ohio to kidnap, handcuff to a bed, and sexually torture a man with "hot sauce" before releasing him "crying" and naked into the Ohio winter. Evidence shows Goddard has committed horrific acts of violence and would not hesitate to do it again.

6. Goddard has joined Levi Page online and giggled about torturing little children in her basement to raise their adrenochrome levels. Nobody in their right mind would admit to engaging in such behavior and then laugh about it during a published program.
7. The following are a few examples from Goddard's text messages to Erickson.
 - "I'll send you home in a body bag"
 - "head shot"
 - "I will take the top of your head off"
 - "I will shoot you"
 - "I will blow you into the ozone"
 - "I will blow your head off"
 - "blow your brains out"
 - "blow your fucking brains out"
8. Goddard also threatened Erickson's life when Erickson said she planned to travel to the "courthouse" in Belmont County, Ohio. "I have a surprise for you when you get there," Goddard said. Goddard's threat demonstrates she feels safe engaging in her behavior at a courthouse where there is law enforcement.

CONFLICT OF INTEREST

9. This is a civil racketeering action and includes extensive details and information regarding law enforcement and police.
10. The Complaint details racketeering activities of law enforcement in Belmont County, Ohio where Goddard resides. Because of the fact that law enforcement is involved in the details set forth in the Complaint, it would be a conflict of interest to utilize local law enforcement in Belmont County to serve documents.
11. The Complaint does not include any negative information regarding the U.S. Marshals.

LEVI PAGE HAS MADE DEATH THREATS

12. Defendant Page has made very serious threats against Randi Erickson. Page's threats go beyond rhetorical hyperbole.
13. "Slut Randi is going to get shot if she keeps stalking people and trespassing. Especially when she is in the DIRTY SOUTH," Page said. SEE ATTACHED EXHIBIT
14. As recent as Saturday November 12, 2022, Page was online in the chat room of From The Desk of Murtwitnessonline making repeated threats regarding Randi Erickson coming onto his property.
15. Page made the following statements on November 12, 2022: SEE ATTACHED EXHIBIT

- "My German Shepherds will rip Randi to shreds if she ever steps onto the property".
- "Murt, it isn't a threat. It is a PROMISE. My German Shepherds will rip that psycho slut to shreds if she trespasses. They don't tolerate stalkers".
- "It's a PROMISE. My German Shepherds will rip SLUT Randi Erickson to shreds if she trespasses".
- That SLUT will regret it.

16. Pages threats appear to be the product of someone with abnormal psychology because he is a grown man who resides in Tennessee, while, Randi Erickson lives several States away in Minnesota. Erickson is a sixty-two year-old grandmother, former elected official and Truth and Taxation judge, who holds multiple licenses, with no criminal history, who passes regular FBI background checks. Pages mental imagery is extremely violent. Page also appears to speak and live vicariously through his German Shepherd dogs. An argument could easily be made that Page is using his dogs to describe what he, himself, wants to do to someone.

17. Enclosed is a screenshot from a Telegram account someone set up using my name. An anonymous person posted a photo of a man having his throat slit.

I am requesting the Court issue an Order directing U.S. Marshals to serve the documents in this case.

Plaintiff agrees to pay the fees.

Very respectfully submitted,

Timothy Charles Holmseth

My German Shepherds will rip Randi to shreds if she ever steps onto the property.

Murt, it isn't a threat. It is a PROMISE. My German Shepherds will rip that psycho slut to shreds if she trespasses. They don't tolerate stalkers.

Stand your ground. You would think they would be aware of that. Js

Blades of Paula C. @Levi the fact that Randi showed up at you aunts house right before she threatened to show up at Alexandrias house shows how unstable she is

It's a PROMISE. My German Shepherds will rip SLUT Randi Erickson to shreds if she trespasses.

That SLUT will regret it.

Yeah. Showing up at ppl's homes is crazy.

Say something...
